

Annual Tennis Tournament Starts Next Saturday Afternoon

ENTRIES CLOSE NEXT FRIDAY NIGHT—PLAYING TO BEGIN AT 2 P. M. SEPTEMBER 4—FINE PRIZES FOR WINNERS—MEN'S SINGLES, DOUBLES, AND LADIES' SINGLES, DOUBLES, AND MIXED DOUBLES.

The annual Labor Day Tournament of the Narberth Tennis Association will open next Saturday afternoon, September 4, on the courts on Essex and Elmwood avenues.

Play will start promptly at 2 o'clock, and under the tournament rules adopted by the Tournament Committee, all entrants must be on the courts at that hour, ready to play when called, or forfeit their matches.

The tournament events will include:

- Men's singles.
- Men's doubles.
- Ladies' singles.*
- Ladies' doubles.*
- Mixed doubles.*

*These three events have been tentatively scheduled, contingent upon the number of entries received. The Tournament Committee has ruled that if there are eight entries in the ladies' singles and eight teams entered in the ladies' doubles and the mixed doubles, these three events will be played. This does not mean that there will be no ladies' singles unless there are also ladies' doubles and mixed doubles, but that each event will be played only if the specified number of entries are received.

Entries Close Next Friday Night.

Entries will be received by any member of the Tournament Committee up to 5 P. M. Friday, September 3. The members of this committee are A. J. Newell, W. J. Kirkpatrick and A. C. Staples. The entrance fee for each event will be \$1.00 per member.

Members are looking forward to the tournament with a great deal of interest and many good matches may confidently be expected.

Attractive and valuable prizes will be awarded to winners and runners-up in both the regular events and the consolation tournaments.

All Matches to Be Scheduled.

Matches will be scheduled for next Saturday afternoon from 2 o'clock to 6 o'clock, and for all day Labor Day, Monday, September 6, from 9 A. M. to 12 M., and from 2 P. M. to 6 P. M. The plan tried during the Fourth of

July tournament of scheduling all matches worked so successfully and satisfactorily that it will again be in force during the coming tournament. That is, individual members entered in the singles tournament and teams entered in the doubles tournament must be on the courts at the time set by the committee for tournament matches, and remain on the grounds ready to play, unless specifically excused for the day. Failure to meet this rule will result in a default against individual or team.

Members Urged to Co-operate.

In past tournaments, with the exception of the Fourth of July event this year, matches have not been scheduled, and if a player was not on hand when called to play, the match was postponed. This has resulted in many of the tournaments being drawn out late into the fall and has proven unsatisfactory in every way.

Members are requested, therefore, to co-operate with the Tournament Committee, and be on hand promptly at the appointed hour each day that tournament matches are scheduled.

"Glad-to-See-You-Home" Dance, September 10th

TENNIS ASSOCIATION WILL GIVE ANOTHER OF THOSE POPULAR AFFAIRS AT ELM HALL.

A "Glad-To-See-You-Home" Shirt Waist Dance will be given by the Narberth Tennis Association at Elm Hall, Friday evening, September 10.

The affair will be in the nature of a "get-together party" of the members, their wives and friends, after the summer vacations.

Tickets may be obtained from any of the members of the Association.

This dance is one of a series of social affairs and entertainments that the Entertainment Committee is planning for the fall and winter season.

A little later will come the annual dinner-dance with the awarding of prizes won in the big tournament which starts next Saturday, and several novel entertainment features.

Some time during the late fall a regular "Broadway production" is promised. Chairman Bob Pattison says he has the "big event" up his sleeve, and we have been reliably informed that the wireless has been working overtime lately between the Pattison Station on Chestnut avenue and the Donnelly-Belasco Retreat at Ocean City. Well, we'll see, as the petroscope used to be so fond of saying.

But in the meanwhile don't forget the Glad-To-See-You-Home Dance, Friday evening, September 10—that's a week from next Friday, or the first Friday night after Labor Day. Bob Pattison concluded that the Weather Man couldn't chuck all the hot weather so early in September, and so he decided make this dance another shirt waist affair.

Members are urged to be on hand and bring their friends. A good jazz orchestra will be on the job, and there is every reason to believe that, as Bill Hall would say, "a pleasant time will be had by all."

ASH COLLECTIONS.

Will be made on the north side Tuesday and Wednesday, September 7th and 8th; south side, Thursday and Friday, September 9th and 10th.

During the month of October and the following months, until further notice, ashes will be collected each week, Monday and Tuesday, north side; Wednesday and Thursday, south side.

GEO. B. SUPLEE,
Street Commissioner.

AN EXPRESSION OF APPRECIATION.

Mr. and Mrs. James Fratautoni desire to thank the neighbors and friends for their sympathy toward them at the time of sorrow in the death of their little daughter Annie, on August 18th.

The Narberth American Legion Building and Loan Association will open its first series on Tuesday evening, September 7th, at 7.30 o'clock, in the "Log Cabin," corner Narberth and Haverford avenues. The subscription to stock in this association is not restricted to members of the Legion. Everybody is invited to become a stockholder, and we earnestly solicit your patronage.

HAROLD D. SPEAKMAN, POST 356,
NARBERTH, PA.

A VACATION FOR \$5.00 A WEEK.

Who wants a vacation at Atlantic City, N. J., at a cost that makes the old H. C. of L. look ill indeed? Five dollars a week for a holiday at a seaside resort known the world over!

If you want it, here's your chance. The Atlantic City Post of the Legion has opened Camp Franklin D'Olier and has accommodations for 200 men under canvas. Any Legionnaire anywhere in the country can apply for membership in the camp. Men from Massachusetts, Alabama, Vermont, New Hampshire, New York and New Jersey already have taken up the offer.

It was quite a job for the Atlantic City Post to get the camp under way, but now the place is humming. A plot of land offered by the city at the Inlet was cleared by fatigue details from the Post and twenty tents with wooden floors were pitched. A canteen was built to serve breakfast and a light lunch besides handing out chocolate bars and "humps" and all the rest of the regular o. d. stock of edibles and soft drinkables.

The camp was formally inaugurated with a big blow-out when the Rotary Club of Atlantic City held a dinner. August will see a big crowd of out-of-town guests in the tents and it is planned to operate the camp until about the middle of September. Most of the one-time Yanks live there in their bathing suits, as one of the best beaches in the resort is only a short distance away.

And, of course, there's no k. p. and no taps. It's a straight, out-and-out, do-as-you-please, proposition. All of Atlantic City, from the Boardwalk attractions, which are some attractions, to sea bathing, theaters and baseball, are there for the incoming Legionnaires to choose from. All it needs besides the five dollars a week is an application to James Butler, 1512 Atlantic avenue, Atlantic City, who is listing the visitors.

So far as is known this is the first thing of its kind to be operated by a Legion Post. There will be no attempt to run the camp for profit. It is simply a proposition to give any man of the Legion who desires it a chance for a vacation by the sea amid ideal surroundings at a purely nominal cost.

The committee in charge of the camp, which was responsible for its development, is composed of William C. Fisher, Capt. Frederick Hickman, Walter Hanstein, James N. Butler, Joseph Schwartz, August Goetz, Dr. Samuel Stern, Sam Izenskie, James Heenan, Dr. Samuel Salasin and Louis G. McCorkle.—The American Legion Weekly.

INSTRUCTION THAT COUNTS.

Now is the time to take advantage of the opportunity offered all ex-service men of obtaining free instruction in the following courses: School of Commerce, Technical Schools, Preparatory School, School of Music, Accounts and Finance, Automobile School, Business School.

There are quite a number of free scholarships open to ex-service men. For further information see the Post Adjutant or call at the Central Y. M. C. A. Building, 1421 Arch street.

Do not forget the opening night of the Narberth American Legion Building and Loan Association, September 7th. Every member should subscribe to as many shares as he is able to carry.

Editorial

Our subscribers are no doubt aware that only two numbers of Our Town have been issued during the month of August. While we have had two or three complaints in this respect, yet it was no fault of the editor that such a condition happened.

Owing to the absolute scarcity of news and the failure of our townspeople to send in local items for the paper, necessitated the omission of the two issues in question. It must be borne in mind that this paper has no paid workers whatsoever, and unless support is given by its subscribers as to news items, no other means are available to procure the news of our borough. One or two local items per week from many of our residents would help us to get out a much better paper, and we solicit their co-operation in this respect.

NOTICE TO BIDDERS.

Sealed proposals will be received for constructing approximately 815 feet of 8-inch vitrified pipe sewers and three manholes, up to 8 P. M. September 6, 1920, at the office of Borough Council, Narberth, Pa., when the same will be opened by the Highway Committee. Plans and specifications may be ob-

tained from George B. Supplee, Street Commissioner, Narberth, Pa., or from Albright & Mebus, the engineers, 907 Land Title, Philadelphia. A deposit of \$10.00 will be required for plans and specifications, which will be returned upon receipt of the plans and specifications in good order. Certified check for \$100 must accompany each bid.

Council reserves the right to reject any or all bids and award the contract as it may deem to be the best interest of the Borough.

WALTON M. WENTZ,
Chairman of the Highway Committee.

Montgomery County industrial workers suffered two fatal accidents during July, according to a statement issued today by Dr. Clifford B. Connelley, Commissioner of the Pennsylvania Department of Labor and Industry.

Throughout the State, 241 fatalities occurred in July. Seventy-four of the victims were employed in industrial plants, 54 were public service workers and 113 were miners. The figures which were compiled by the Bureau of Workmen's Compensation show an increase of 24 fatal mine accidents last month as compared with June, when 89 were reported.

During July there were 26 fewer fatalities in industrial plants, while there was an increase of one fatal accident among public service workers. Allegheny and Luzerne Counties reported the largest number of accidents, with 41 and 24, respectively. Commissioner Connelley's report indicated 242 fatalities in June, 211 in May, and 177 in April.

Automobile owners in Pennsylvania were cautioned by the Department of State Police against the practice of leaving license cards in their cars. Motor car thieves, the police asserted, find it easy to establish identification and show evidence of car ownership when they are in possession of license cards bearing motor numbers that correspond with those on the car.

Many motorists, the police said, carry their license cards in the side pockets of their cars or under seats, thereby making it easy for thieves to throw officers off the trail of stolen motors. Recently, police officers stopped cars on the highways and inspected license cards and motor numbers, and they allowed the cars to proceed. Later it developed that the automobiles had been stolen before the police examined the cars and their drivers, but because the drivers held the proper license cards the police did not suspect theft.

The police urge motorists to carry their license cards in their clothing, and under no circumstances leave the cards in the car.

Building and Loan Notes

The seventh series of the Narberth Building and Loan Association expired in August, and checks for over \$40,000 have been sent out to stockholders owning shares in that series.

The new thirtieth series will be open for subscription Thursday evening, September 2nd, from 7 until 9 P. M. at the Fire House, and attention is again called to the fact that residents of Narberth and their friends can make no better investment than by taking out shares in this new series, as the rate of profit last year was 8.2%, and the affairs of the Association are in fine shape.

The present officers of the Narberth Building and Loan Association are as follows: Wm. D. Smedley, President; Wm. B. Kraft, Vice-President; C. H. McCarter, Treasurer; Thos. C. Trotter, Jr., Secretary; Fletcher W. Stites, Solicitor; Directors, Wm. D. Smedley, A. P. Redifer, Wm. B. Kraft, C. H. McCarter, Thos. C. Trotter, Jr., H. C. Fritsch, Carden Warner, C. S. Powell, C. B. Metzger, W. S. Howard, John S. Ketcham, Daniel Leitch. Any of the above officers or directors will be very glad to explain the Building and Loan idea and arrange for you to become a stockholder in the Association, and if for any reason you expect to be out of Narberth on that night, will take your subscription and make the necessary arrangements for you.

Every new share increases the assets of the Association as well as increasing the borrowing capacity so that by becoming a stockholder you not only benefit yourself by receiving over 8% on your investment, but you benefit your neighbor by furnishing the Association with a larger working capital so that it will be possible to take care of any loans that may be wished on account of one of your neighbors purchasing his home.

A number of our stockholders have taken out stock for their children with the idea that they are providing a fund for their education, and stock can be taken in trust for any child under age, and stockholders can take out one share only if they so desire. The initiation fee on the opening of the series is fifty cents, covering from one to five shares, inclusive. If more than five shares are taken out the fee is ten cents per share, and each share means the payment every month of \$1.00 until the amount paid in added to the earnings in the series equals the par value of \$200 a share.

Don't forget that the thirtieth series opens September 2nd, 7 to 9 P. M., at the Fire House.

NOTICE TO GAS CONSUMERS.

Effective September 26, 1920, we are making certain changes in our rules and regulations governing the supply of gas. These will effect increases over present charges in the following instances:

For street lighting, the rate per single mantle lamp, including gas maintenance, turn-on and shut-off service, burning from dusk until dawn, will be \$2.50 per month instead of \$2.00, as heretofore.

Whenever consumer's service pipes are not brought to a common point, and the company is called upon to furnish two or more meters, each point of metering shall be considered as a separate service, and will be billed accordingly.

In the event of a consumer requesting a change in the type of meter, if the meter has been installed as specified in the consumer's meter application, there will be a charge of \$2.50, for changing from prepayment to regular meter or from regular to prepayment meter.

If the consumer's service is discontinued for violation of contract, non-payment of bills when due, etc., etc., or when the consumer has ordered the service discontinued temporarily, the consumer will be charged \$2.50 for each re-connection.

YOUR VACATION OPPORTUNITY.

Some time ago we advised you of the proposed camp at Atlantic City for ex-service men. This camp has since become a reality and has been entertaining men from all parts of the country. It has not, however, been used to its full capacity, and we feel that the privileges of the camp should be extended to a larger number of men. This can be accomplished by giving the enterprise the widest publicity, and to that end we would be pleased to have you bring the matter to the attention of every member of your Post. The charge is \$5 per week, which entitles a man to a cot in a tent with five or seven others. The cots are fitted with mattresses and blankets. The tents have wooden floors and there is a latrine equipped with modern plumbing and shower baths. A canteen is operated where the men may secure breakfasts and light lunches, cigars, soft drinks and souvenirs at a reasonable cost. The camp is located in a delightful spot at the Inlet, away from the congestion of the city and at the same time within easy reach of the beach, boardwalk, trolleys and every amusement.

YELLOW 1921 AUTO TAGS FOR PENNSYLVANIA.

The Highway Department has adopted a yellow tag with black lettering as the type for Pennsylvania's automobile and truck registration for 1921 and orders for manufacture will provide for a greater quantity than ever before owing to the numerous new registrations continually being made. The yellow and black tag was first used in this State in 1908 and again three years later.

UNJUST SUSPICION.

A proud young father telegraphed the news of his happiness to his brother in these words: "A handsome boy has come to my house and claims to be your nephew. We are doing our best to give him a proper welcome."

The brother, however, failed to see the point and wired back: "I have no nephew. The young man is an impostor."—Boston Transcript.

THE FIRESIDE

(Continued from Page 1.)

Mr. and Mrs. T. Noel Butler, of Essex avenue, are spending their vacation at Asbury Park, N. J.

Mr. George A. Mahl and family are home from a trip through New England.

Mr. Charles Buckman and Miss Ida Buckman returned from Bermuda and are now in the Pocono Mountains.

Mr. and Mrs. John K. Ketcham have returned from a month's stay in Atlantic City.

Mr. James F. Donnelly and family will return to Narberth about September 1st.

Rev. H. M. Chalfont has returned from a vacation spent in the western section of the State.

The Montgomery County Teachers' Institute will be held at the High School Building, Norristown, from August 30th to September 3rd.

C. A. S. McClellan, of Woodside avenue, has been quite ill for several weeks. His condition is improving and he expects to be about soon.

Ardmore fire engines were called out close to midnight last Sunday by a false alarm telephoned from the Ardmore trolley station.

Jack M. Haws, the Assistant Postmaster at Narberth, expects to visit Detroit, Michigan, and Niagara Falls while on his vacation.

Look in Davis' window and see the Iron Age Cultivator offered as a prize by Maule's Seed House in the vegetable classes at the Fall Flower Show.

Mrs. J. Earle Clarke, of Dudley avenue, has been visiting in Cleveland, Ohio, and will return by auto with her brother, Mr. H. H. Henderson.

Miss Mary Super, who has been doing relief work in Armenia with the Near East Relief, returned yesterday to her home on Montgomery avenue.

Ed. Griswold, he sez: "With all the rains we are having, pushing the lawn mower is getting to be a profession all its own."

Rev. Loyal Y. Graham, Mrs. Graham and Miss Emily Graham, of Rahway, N. J., are visiting Mr. and Mrs. John K. Ketcham.

William H. Folwell, who has been appointed Treasurer of the State Republican Campaign Committee, is a prominent resident of Merion and an officer of the Merion Civic Association.

Mr. and Mrs. Chas. M. Irwin and children, Dorothy and Charles, have been spending their vacation at Niagara Falls, Washington, D. C., and Ocean Grove, N. J.

A large number of members of the Ardmore Chamber of Commerce accompanied by their wives and families enjoyed the first annual picnic held at Lenape Park, West Chester, on Wednesday.

Rev. A. S. Walls and family have returned from a most pleasant and healthful trip down on the farm in Maryland, where fried chicken is in season and fresh strawberries on tap from May till November.

There are many trees in this section that should be trimmed, as low branches are a nuisance to pedestrians who use the sidewalks, especially on a rainy day, and the high branches and foliage around the street lights make some sections dangerous for travel.

Perhaps you have some Dahlias and are not quite sure just which type they are. The Dahlia Show Committee have placed in the Ivy Shop window a specimen of each of the ten types with a card explaining how they are distinguished.

The receipts of the Post Office for the month of July were normal, though not so many of our folks have occasion to come to the office since city delivery has been established. The carriers will bring books of stamps to patrons who find it inconvenient to come to the office. Books are 25c., 49c., 73c. and 97c.

The above department should be of the greatest use to the community, the list contains the name of every professional man tradesman, mechanic, shopkeeper, etc., who does or can in any way serve his fellow townsman, and who is progressive enough to add name to list of Registrar.

As it is difficult for those contributing their time and efforts to the production of "Our Town" to personally either know or interview all such, it would be most helpful if those not now found in the printed list would send in a memo of their names address, phone numbers and businesses or professions for listing. This will cost as follows: 10 cents each issue for 2 lines; 5 cents for each additional line.

AMERICAN LEGION

(Continued from Page 1.)

You can save money easier and to a better advantage this way. Saving \$1.00 per month for from 132 to 144 months, or say 138 on the average, means \$200 in savings.

Be sure and get a copy of next week's Our Town and look for an announcement that will be a surprise to a great many and a benefit and opportunity to every member in the Legion. Bryn Mawr will not have anything on us in the near future.

The Ladies' Auxiliary are invited to become stockholders in the new Building and Loan Association. Do not let them have the opportunity of showing a higher percentage of shares per member. Every member should talk about the new Building and Loan Association to his neighbor. It will mean far more to us in the future than it does now.

It is with a great deal of pleasure that we acknowledge the congratulation of the directors of the Narberth Building and Loan Association and we in return wish them continued success in opening their thirtieth series.

PRACTICAL SORROW.

"Jack," she asked, "was there a girl in France who was sorry to see you go?"

The moon was full, the summer night was balmy, the hammock was built for two and it seemed a shame to break it all up.

"I'd rather you didn't ask me that question, dear," he said.

"But I must know. We're engaged and you should tell me everything," she insisted.

"Dear, I don't like to talk about it—"

"Then you did love her. You did, you did, you did."

"No, I didn't."

"Yes, you did, or you'd tell me all about her."

"I didn't, I say."

"Yes, you did. Oh, Jack, how could you when all the time you were engaged to me!"

"Listen a minute and I'll give you the whole story," he said in desperation. "She was—"

"Well?"

"She was my laundress. I owed her twelve francs."

MULTIPLYING DIFFICULTIES.

The teacher, a lady of questionable age, was having a hard time getting Johnny to memorize the names of the kings of England.

"Why, when I was your age," she finally exclaimed, exasperated, "I could recite the names of all the kings forward and backward."

"Yes'm," replied Johnny, unimpressed, "but when you was my age there wasn't nearly so many kings."

WHAT'S THE USE?

Sunday School Teacher: "Now, boys, there is a wonderful example in the life of the ant. Every day the ant goes to work and works all day. Every day the ant is busy. And in the end what happens?"

Willie: "Somebody steps on him."

EN FAMILLE.

"Ma, is Mr. Jones an awfully old man?"

"No, dear, I don't believe so. What makes you ask?"

"Well, I think he must be, because I heard Pa say last night that Mr. Jones raised his ante."

MAIN LINE CITIZENS' ASSOCIATION.

Committee on Vacant Lot Gardens.

This committee is a result of the war and continues to find itself needed. When a shortage of food threatened and people were being urged to raise as much as possible of their own food, the committee obtained from owners of vacant lots permission to use them for war gardens. The lots were ploughed and fertilized and then divided into plots of suitable size apportioned to men and women of the neighborhood, who had no land of their own, but who were eager to raise their own vegetables. The lots were given out at a nominal price, which barely covered the expense of preparation, and seeds were sold at cost. Remarkable crops were produced, but the increase in the supply of food was not the only advantage resulting from the work. When the war was over the demand for lots continued and it seemed worth while to carry on the work of the committee.

During the present year, owing to the great increase in sales of property for building, the supply of lots has decreased; also the scarcity of labor made the ploughing a serious problem. But in the face of these difficulties the committee has over 100 plots under cultivation in Ardmore, Haverford, Bryn Mawr and Rosemont, and it feels that the industry and thrift shown by the holders and the amount of good fresh vegetables produced more than justify a continuation of the work.

The committee has tried to put this work on a self-supporting basis, but this year, with the increased cost of labor for ploughing, it may face a deficit. The Main Line Citizens' Association is dependent upon its annual membership dues and the contributions of interested friends. The future of this committee, therefore, depends not only on the demand for gardens, but on the co-operation and financial support of the public.

The chairman, Mrs. E. V. Harts-horne, desires to thank the property owners whose generosity has made the work possible.

LIEUT. KERWOOD INJURED IN AIRPLANE ACCIDENT IN TEXAS.

Aviator Recovering in Oil Town Hospital from Gasoline Burns Will Resume Flying.

Lieutenant Charles Wayne Kerwood, of Gladwyne, who won the Croix de Guerre and the Medaille Militaire from France for his services in the Lafayette Flying Corps during the war, was injured and badly burned three weeks ago near Grandfield, Texas, when an airplane piloted by him crashed and the gasoline tank exploded.

Lieutenant Kerwood, who continued to fly after he returned to this country, following eight months' experience as a wounded prisoner in Germany, recently went to the Texas oil fields to make flights for the Texas Aerial Transport and Sales Corporation.

He writes to a friend at Ardmore that the accident to his machine occurred while he was en route from Tulsa to Dallas. The explosion of the gasoline tank caused serious general burns and he was taken to a hospital at Burkburnett, Texas.

"I am informed that I will be up and about in a week's time," he writes. "I sure hope so, as I am about fed up on bed life and bandages. Outside of a few scars that I have succeeded in adding to my collection I'll be just as fit as ever and should be in the aerial saddle within a month's time."

GIRLISH CONFIDENCES.

"Fifteen dollars a week for teachin' school? It's a darn shame! They oughta give ya eighteen or twenty dollars. Why, I'm gettin' forty dollars down to th' fact'ry."—Life.
